CHILDREN'S MISSION ADVENTURE CAMP

CP COOPERATIVE
PROGRAM

June 11 - 14, 2024

ZERO-TOLERANCE POLICY

CrossTimbers is committed to a positive, uplifting, Christian environment. CrossTimbers does not tolerate and expressly prohibits sexual harassment and sexual abuse. This policy applies to everyone at CrossTimbers, including employees, board members, volunteers, sponsors, campers, contractors, and vendors of CrossTimbers. Suspected violations of this policy are to be reported immediately to the CrossTimbers director or campground manager. Upon completion of an investigation, violators of this policy will be removed from the grounds of CrossTimbers. Employees of CrossTimbers, violating this policy, will be subject to disciplinary action, up to and including termination of employment and criminal prosecution.

Suspected abuse or neglect of a minor, whether on or off CrossTimbers property or whether perpetrated by CrossTimbers personnel or others, will be reported to state authorities, as required by law.

EMERGENCY PROCEDURES

Tornado Safety

In the case of an emergency, a vehicle will be driven to the cabins, and the horn will be sounded continuously in case of a tornado. This will never be a drill. At the sound of one continuous horn, this alerts cabin occupants to immediately seek shelter in the center of the cabin, away from windows, and covered with mattresses. Wait until the all-clear signal is sounded. The all-clear signal will be when the horn repeatedly goes on, then off.

Camp Evacuation Process

All participants of CrossTimbers need to be conscious of any type of open flame while on the campgrounds. In the event of a fire, the need to evacuate CrossTimbers or parts of CrossTimbers may become necessary. CrossTimbers staffers will assist campers in locating the appropriate evacuation routes and guide them to designated areas.

The primary evacuation routes will be through the main gates.

Circumstances may require this to change, and camp staff will provide guidance for campers during the process.

DISCIPLINE PROCEDURE

Criticize in Private, Praise in Public.

Most discipline issues are already solved with the attitude and reactions of sponsors promoting a great time at camp, coupled with fun activities of a busy day. However, if you continue to have challenges with a child:

- Pull that child aside and talk to them privately about his/her actions. Explain why this is a bad choice and unacceptable. State your confidence in the child to make this change and praise the child when he/she improves in order to encourage good choices.
- If the bad choices continue, the sponsor might consider a later start time of swimming and allow the child to rest longer on his/her bunk.
- If the child does not comply, contact the CrossTimbers Program Director. The three of you will have a meeting and call a parent to bring awareness of the situation. This will be the final warning.
- If the child continues to make bad choices, the program director will call the parent again, and the sponsors will take the child home.

DURING CAMP

CAMP ACTIVITIES

There are three main activities sites: the watersports, the challenge course (ropes course), and target sports. Each activity will divide into several groups and then rotate through each part of that day's activity.

Closed-toed and closed-heeled shoes are required for the ropes course and watersports.

****Note:** You will need to be prepared to get completely soaked if you are going to the watersports. Swimsuits are recommended, however, everyone must wear shorts and shirts over swimsuits.

MISSIONS

The CrossTimbers missions experience is designed to help children understand the role of a missionary in a hands-on experience that impacts the community locally and reaches out to the global task of telling the nations about Christ. At each mission stop, children can explore hands-on opportunities of service while learning how they can pray for the nations and how missions are expressed in that area.

MISSIONS OFFERING

Campers and sponsors will have the opportunity to give to one of the mission works featured during camp. Offerings will be accepted during the mission stop and at the last canteen.

POOL TIME

During pool time, there will be lifeguards on duty at all times. At CrossTimbers we have girls' swim time and boys' swim time. Please be sure to check your schedule for your designated time. Sponsors are welcome to swim, and at least one sponsor from each group that is swimming must be present in case of an emergency. Here are a few things to remember about pool time:

- Before coming to the pool, be sure to shower. Hair does not need to be washed, but state health regulations require all persons to shower in the cabins, washing their entire body prior to swimming in the pool. *Please do so or we will have to send you back.
- Life jackets and water shoes must be worn while at the waterfront, but a life jacket can also be provided at the pool for campers upon request.
- Be sure all your children have sun screen applied at camp, especially when playing at our water venues.

RAINY DAY PLAN

If there happens to be rain during activities (and we hope that there is not), your group will report to the Chapel. There the leaders will have activities for you to do inside. Note, however, if there should be a day where rain is involved and an activity is missed, there will not be an opportunity to make up the activity. The program will continue on to the next day.

IN-CABIN QUIET TIME

In-cabin quiet time is a time campers are encouraged to revisit Bible study items on a personal level. This time can be used to rest and recover. During this time all campers should be in their bunks and quiet. Camp is busy and campers need time to recover.

Dietary Needs:

If a child that is coming to camp has a dietary need, you will need to let Brennan Ludwig (brennan.ludwig@firstmoore.com) know ASAP!! In some cases the kitchen staff may be able to provide a special plate for that child. In other instances, it may be better for the parents to send the

appropriate food for their child. Food can be stored in the kitchen refrigerator and sponsors can monitor the provision of the meal.

The CrossTimbers kitchen staff is not trained to prepare foods that support food allergies and cannot be responsible for making accurate decisions that would endanger a child's health.

KIDS LOVE MAIL!

If you would still like to have your child get notes from you, family, or friends please write letters for your child and put them in their bag and label them so they can open them on the appropriate day and time.
