FIRST MOORE BAPTIST CHURCH

## A WORD FROM PASTOR CHARLIE

### ***Embracing Generations***

One of the desires of my heart as a pastor is to see people from all walks of life, ethnicities, and generations united together in the Gospel. The manifold wisdom of God is displayed in the Church (Ephesians 3:10) and as such, one of the things that make the Church so unique and beautiful is that all the walls of division that the world can put up come shattering down as we are united in Jesus. This is so important among different generations. Each generation has something unique to offer the others. From our older generations, we glean things like wisdom and experience, while from our younger generations we get energy and passion. We are not each other's enemies, but instead, we form a family that needs each other to impact the world with the Gospel and become disciples of Jesus.

This is why on the evening of March 23rd, we are having an Embracing Generations Night. It will begin with our regular Wednesday evening meal, followed by our Students through our Senior Adults gathering together in the Atrium for a night of worship, teaching, fellowship, and service.

## A WORD FROM PASTOR CHARLIE

(Continued from cover)

The goal is to have members from every generation of our church come together in a casual environment where we can share our lives and stories with each other. You will hear stories of multi-generational discipleship that have been happening, and our prayer is that this will light a fire for discipleship relationships to form in our church. After our time of study and fellowship, we will be joined by our Kid's Ministry in the Atrium where we will assemble the teacher's care packages, for which we have been gathering items as a church. I am asking each of you to join us for this important night in our church life. There will be a sign-up available to help us know how many people to expect and plan for. Please sign up ASAP and mark this important evening on your calendar. I look forward to seeing what God is going to do with this focused multi-generational evening.

For His glory and your joy,  
**Pastor Charlie**
